ID	Title	Presentation type
3	A Networked Approach To Catalyzing Change	Oral
5	Kolb'S Methodology Learning And Understanding On Three Sustainable Development Goals In A Private Basic School In Morelia City, Michoacan State, Mexico In The 2017-2018 Scholar Cycle	Poster
9	Exploring Barriers And Motivations Of The Peruvian Household'S Owner To Reduce Their Water And Electricity Consumption	Oral
10	Key Competencies For Knowledge Innovation Towards Sustainability Transformations – Meeting Complex Systemic Challenges Within The Science-Policy Interface	Oral
12	Hacia La Transformación Adaptativa: Nichos Exitosos En El Contexto Del Cambio Climático	Poster
13	Plural Understandings Of Transformations: How Can We Advance Our Scientific Transformations Understanding With Indigenous And Local Knowledge?	Oral
14	Climate Knowledge Co-Production For The Agriculture Sector In Argentina From An Implicated Science Approach	Oral
15	Emancipatory Participatory Rapid Diagnosis (Eprd): A Method Of Social Management	Oral Session
16	Social Management of Mineral Waters: Results of the application of EPRD in Cambuquira	Oral Session
17	The Learning for Sustainability (LforS) method	Oral Session
19	Emancipatory Participatory Rapid Diagnosis And Learning For Sustainability: A Methodological Proposal	Oral Session
22	Transforming Cities Of India: A Study Of Causes And Environmental Consequences	Poster
23	Classical Versus Quantum Conceptualization Of Transformational Change Process In Farm Decision Making. The Importance Of Framing In Transformations.	Oral
24	Bringing Forward Cultural Values In Eia In Chile Through A Feminist And Decolonizing Approach	Oral
26	The Role Of Transdisciplinary Partnerships In Large Scale Change: Stories From South-South-North Partnerships And Unlikely Friends	Oral
27	Local Knowledge For Environmental Protection And Climate Change Adaptation In Africa	Oral
28	Developing Theories Of Change For Supporting Sustainability Transformations: A Serious Game	T-Practice
29	A Museum Of Anthropology: Reconciliation Of Contested Land	Poster
30	Integrating Governance Of Protected Areas Into Regional Sustainable Development: The Case Of The National Reserve Of Coyhaique, Chile	Oral
31	Demystifying Human Change: How Transformation Actually Works To Improve Lives And Accelerate Businesses	Video
32	Human Scale Transformation Case Studies, Activa Valdivia Cvs, Valdivia Wetland City, Chile	Oral Session
33	Latin American "Extension" As Transformative Science For Sustainability	Oral
34	Environmental Sustainability Through Customary Conservation Practices: Case Studies From Rajasthan, India	Oral
35	Learning From The Experts: Indigenous Experiences Of Migration To Support Climate Change Displacement.	Oral
36	Adoption Of Climate Change Adaptation Strategies By Small Maize Producers In Ethiopia	Poster

In case you do not remember your abstract ID, please check the submission confirmation email

ID	Title	Presentation type
37	Science-Policy-Society Interface: Public Deliberation On Water In Uruguay	Oral
38	Identifying Actors, Activities And Networks For Transformation In A Post-Disaster Context	Oral
39	Knowledge System Innovation For Resilient Coastal Cities	Oral Session
40	Transformations For Rural Resilience I: Community, Networks And Social Capital In A Post-Disaster Context	Oral
42	New Inequalities In The Chilean Patagonia: Ecological And Green Friendly Discourse As A Mechanism For Re-Production Of Environmental Injustices.	Oral
44	Leveragers Or Leverage Points? Locating Sustainability Transformation Agents In Complex Systems	Oral
45	How 25 Years Of The Inter-American Institute For Global Change Research Has Supported Science-Based Actions And Solutions For The Americas	Oral
46	Co-Production Of Climate Knowledge Products In The Department Of Bermejo In The Gran Chaco Wetland Area Of Argentina	Poster
47	Narratives That Transform – Logics And Worldviews Supporting Transformational Social Change In An Indigenous Community Context	Oral Session
48	Future Scars: Exploring Future Visions Of Transformation With A Grassroots Anti-Coal Movement In Turkey	Oral
49	The Importance Of Memes In Narratives And System Transformatons	Oral Session
52	Co-Production Of Climate Knowledge Products In The Department Of Bermejo In The Gran Chaco Wetland Area Of Argentina	Poster
54	The Relationship Between Social Capital And System Transformation	Oral
55	The Role Of Access To Resources For Understanding Social-Ecological Transformation And Resilience	Oral
57	How Can Evaluation Help Accelerate Climate Action? Takeaways From 4 Years Of Climate Policy Evaluation In Mexico	Oral
58	Narratives Of Transformation Processes: A Cross-Country Perspective	Oral Session
59	Investigation Into Patterns Of Stakeholder Influence	T-Practice
61	Procedural Fairness As An Enabler Of Transformative Collaboration	Oral
62	Utilization Of Climate Services As A Climate Change Adaptation In Beekeeping In Nortnern Tanzania	Oral
63	Group Micro Irrigation: Optimising Groundwater Utilisation In Semi-Arid India	Poster
64	Exploring The Potential Of Emerging Cognitive Neuroscience To Facilitate Transformative Change In Worldviews	Oral
65	Transforming Resource Management Through Collaboration: Transdisciplinarity In Theory And Practice	Poster
66	Mobilizing Transdisciplinary Collaborations For Sustainability Transformations: Collective Reflections On Social Unlearning.	T-Practice
67	Koru Methodology: Decolonializing Education In A Transgressive Way	Oral
68	Transdisciplinary Dialogue And Co-Creation Of Transformative Knowledge With Innovative Practitioners In Riparian Communities Of Lake Malawi	Oral

List of Accepted abstracts

In case you do not remember your abstract ID, please check the submission confirmation email

ID	Title	Presentation type
69	Community Based Flood Early Warning System For Climate Change Induced Natural Risk Reduction In Socio-Economically Fragile And Marginalized Mountain Environment: A Trans-Formative Risk Governance Experience	Oral
70	Women Centric Low Tech Flood Early Warning System In Himalaya: A Social Transformation Improving Community Resilience To Natural Disasters In Underdeveloped Mountain Under Climate Change	Oral
72	Women's Adaptive Innovations And Transformation Of Traditional Land And Water Governance In High Mountains: An Illustration Of Reducing Gender Gap In Farming System In Himalaya	Oral
73	Local Institutions And Transformation Of Climate Change Governance In Himalaya: An Empirical Study Of Forest Councils Of Uttarakhand	Oral
74	Regional Institutions And Trans Boundary Headwater Governance In Hindu Kush Himalaya: A Transformative Cooperation Framework For Climate Change Adaptation And Disaster Risk Reduction In South Asia	Oral
75	Transforming High Mountain Farming And Food System Through Supply Chain Development In Himalaya Under Climate Change	Oral
76	Distributed Agency In Food System Transformation In Chile: Collective Action Or Fragmented Individualism?	Oral
77	The Living Spiral Framework: Understanding, Generating And Evaluating Journeys Of Transformations.	T-Practice
78	The Impact Of Framing And Perception Of "Naturalness" On Climate Engineering Support	Poster
80	Loss And Change: Emotional Roots In Transformation And Collective Action	Oral
81	Transformative Processes From An International Community - Auroville	Oral
82	A Holistic Design Approach To Constructions To Create Closed Energy-Material Loops. A Case Study In Bogotá D.c., Colombia.	Poster
83	Transformation Of An Urban Food Culture: Case Of Chennai In Southern India	Oral
84	Transformation And Resilience – A Philosophical Perspective	Oral
85	Transformational Change Criteria To Promote Higher Ambition Of Ndc's Through The Paris Agreement Article 6 Cooperative Approaches	Oral
86	The Future As If Life Mattered: Diversity And Connectedness In Higher Education For The Anthropocene	Oral
87	Reflectivity And Humility For Transformation Change	Oral
88	Understanding S-E Complexities And Designing Outcomes With Models	Poster
89	Conscientisation-As-Transformation: Evidence From The Andaman Islands, South India	Oral
90	Justice In Energy Transition And Transformation	Oral
92	Enriching Our Paradigmatic Perception	T-Practice
93	Emerging Technology Adoption Across Settlements And Populations - A Typology	Oral Session
94	Integrating Learning from the Past into Future Knowledge Institutions for Transformation	Oral Session
95	Protocols For Establishing A Biodiversity Database Using Citizen Science As A Main Component.	T-Practice
96	How Do Narratives Transform? A Systematic Review	Oral Session

List of Accepted abstracts

In case you do not remember your abstract ID, please check the submission confirmation email

ID	Title	Presentation type
97	Finding Transformative Narratives, Exploring Our Common Ground	T-Practice
100	Research-Practice Transformations: Experiences From 20 Years Global Research From The Institute For Sustainable Futures, University Of Technology Sydney	Oral Session
101	The Transformative Influence Of The Unhcr And The Nansen Initiative's Protection Agenda On Cross-Border Disaster Displacement	Oral
102	Exploring transformative narratives	Oral Session
103	On Matryoshkas And Meaning-Making: Understanding The Plasticity Of Climate Change And Contemplating What This Might Mean For Transformation	Oral
104	Beyond Boom, Bust And Coal Dust: Understanding The Role Of Community Actors In Place-Based Transformations Towards Sustainability	Oral
105	Negotiating epistemological frameworks and normative commitments across a Transformative Knowledge Network	Oral Session
106	A Cross-Scale Participatory Approach To Discuss Pathways To The 2030 Agenda Sdgs: The Example Of The World In 2050 African Dialogues	Oral
107	Evolution Of Air Quality In Santiago: The Role Of Mobility And Lessons From The Science-Policy Interface	Poster
108	Narratives Of Transformation In Science-Society Interfaces: Capacity Building In Universities' Interaction With Their Local Communities	Oral
109	The First Geothermal Greenhouse In The Chilean Patagonia And The Role Of National Gendarmerie In Transforming Energy Consumption	Poster
110	Proposition Of A New Institutional Structure And Mechanism That Will Enhance Access And Use Of Climate Services In Sub Saharan Africa, The Example Of Burkina Faso.	Poster
111	Artists As Agents Of Transformation: Connecting Science And The Arts To Solve Complex Problems	T-Practice
112	What Helps Or Hinders Urban Transformations? Urban Transformative Capacity As A Transdisciplinary Heuristic And Disruptive Strategy	Oral
113	A Multi-Modal Approach To Framing Urban Resilience: A Valdivian Case Study	Oral Session
114	Societal Transformation As The Key To Climate-Resilient Development Pathways	Oral
115	Applying Technologies Of The Self In Transformation Labs To Mobilize Agency	T-Practice
116	Changing Diets, Transforming Food Production	Oral
117	Participatory Complexity-Aware Approaches That Support Transformative Pathways For Those Left Behind	Oral
119	Stakeholder Perspectives On Transformation Oriented Transdisciplinary Processes – What Makes Transdisciplinary Processes Valuable For Stakeholders?	Oral
120	Assessing The Transformative Potential Of Seeds Of Good Anthropocenes: Case Comparison And Qualitative Comparative Analysis	Oral
121	Qualitative System Analysis As A Tool For Strategy Development And Testing In Sustainability Science	Poster
122	Assessing The Resilience, Sustainability, And Equity Of Future Urban Visions	Oral Session
123	Transformation As Praxis: Responding To Climate Change Uncertainties In Marginal Environments In South Asia	Oral
124	Modelling Urban Futures: Resilience Thinking In Practice	Oral Session

List of Accepted abstracts

In case you do not remember your abstract ID, please check the submission confirmation email

ID	Title	Presentation type
125	Exploring The Transformative Narrative Of Auroville	Oral Session
126	Deep Leverage Points For Transformations: Learning From Japanese Healing And Martial Arts (Shiatsu And Aikido)	T-Practice
128	How Can Research Funding Programmes Enhance Transdisciplinary Co-Production Of Knowledge?	Oral
129	Transformative Learning Networks: Insights And Practices From Leading Netweavers	T-Practice
130	Staring Into Wild Eyes	Video
131	Fostering Transformation Through Citizen Science: The Case Of Grow Citizens' Observatory	Oral
132	An Interdisciplinary, Integrative Future Outlook On Meat Alternatives: Desirability And Plausible Socio-Technological Pathways Of Change	Oral
133	Sounding Transformations: Participatory Podcast Praxis As Relational Response To Urban Water Crisis.	T-Practice
134	Expectations Versus Experiences With User Engagement In Smart Grid Development	Oral
135	Converting Communities Into Agents Of Transformation: The Case Of The Grow Citizens' Observatory	Poster
136	Enhancing Society's Capacity To Act On Climate Information	Oral
137	The Patterns Of Diffusions Of Grassroots Innovations In Informal Settlements. The Case Of Slum Dwellers International (Sdi) In Ghana And Uganda	Oral
138	Communicating The Transformative Power Of Soils Through Citizen Science, Satellite Validation And Data Art	Poster
142	Grow Food. Grow Soil. Grow Science.	Video
144	Acuerdos Voluntarios como instrumento de gestión público - privado y agente de transformación y adaptación al Cambio Climático	Oral Session
145	Subterranean To Skyline - Street Trees As Potent Boundary Objects And Change Agents In Transforming Street Section Design. Findings From The Hug The Streets, Idelab Project, Oslo.	Poster
146	The Yihi Katseme Of Ada, Ghana: Re-Storying As Community Resilience Building And Social Movement Learning	Oral
147	Quantum Social Change: Meaning, Metaphors, And Mattering	T-Practice
148	Empowering Transdisciplinary Action Research: Incorporating Local And Traditional Knowledge Systems Through Social Unlearning And The Collaboratories Model	Oral
149	Tracing The Seeds Of Transformation Within Food Networks In The Capital Region Of Colombia	Oral
150	Transgressing To Learn: Learning To Transgress	Oral
151	Parque Verde Y Agua. A Transformation From Extensive Farming To An Agroecological And Ecotourism Natural Reserve.	Video
152	Building Bridges: Finding The Essential Elements Of A Professional Society Supporting Sustainability Knowledge And Innovation Communities	T-Practice
153	Catastrophe And State Building: Lessons From Chile's Seismic History	Oral
154	Predictive Minds And Participatory Worldviews: The Implications Of Emerging Neuroscience For Transformations In Practice	T-Practice

List of Accepted abstracts

In case you do not remember your abstract ID, please check the submission confirmation email

ID	Title	Presentation type
155	An Integrative Framework For The Evaluation Of Seven Urban Living Labs In The Food-Water-Energy Nexus	Oral
156	Transformative Co-Produced Visions For Future Urban Sustainability And Resilience	Oral Session
157	Can Theatre Change The Face Of Adaptation And Write A Happier Plot? (Hint: Yes)	T-Practice
159	Identifying The Risk And Policy Space For Loss And Damage: A Role For Transformational Risk Management?	Oral
160	Bioleft: A Story Of Emerging Change First Led By Academics But Now Co-Owned By A Complex Network Of Actors	Oral
161	Fostering Systems Transformation Through Cross-Cultural Education And Research	Oral
162	I Know You Are But What Am I – Narrative Subjectivities In A Destabilized Climate	Oral
165	The Role Of Data In Transformation And Resilience Building: A Missing Link?	Oral
166	How Do We Change The World? Making Sense Of Sustainability Transformations Across Societies	Oral Session
167	Levels Of Government And Uncertainty In The Face Of Disaster: Challenges And Opportunities For Decision-Making In Chile	Poster
168	Constant Changes Threaten A Traditional Fijian Island Village	Oral Session
169	Transformation Through Continuous Experimentation And Incremental Change: How South Africa'S Commercial Grain Farmers Manage Risk	Oral
170	How To Design A Meaningful Longitudinal Study About Values In Transformational Sustainability Science?	Oral
172	How Science And Policy Facing The Areas With Lower Population Density In A Context Of Rapid Social And Environmental Changes?	Poster
173	Anticipatory Knowledge Systems To Co-Produce Transformative Visions For Urban Resilience	Oral Session
174	Using An Agro-Metabolism Framework To Analyze Material And Energy Flows In Small Agriculture Symbiotic Systems (Sass). A Scenario-Based Approach In A Small Coffee Farm In Colombia.	Oral
177	Positive Futures Of Urban Transformation	Oral Session
178	Urban Resilience To Extreme Events: Framing Cities And Their Infrastructure As Social-Ecological-Technological Systems (Sets)	Oral Session
179	Impacts At The Residential Level Associated With Vulnerability In The Continuity Of Drinking Water Service In The City Of Santiago, Chile	Poster
180	Rooted Steps, Geographies Of The Everyday	Video
181	Extreme Wave Warning System And A Proposal For An Intensity Scale	Oral
182	Connecting Through Images: Feedback To Communities Beyond Written Words	Oral
183	Cities, Environmental Crises And Transformative Capacity	Oral
184	Teaching Transformation: Fostering Integrative Understanding Of Climate And Society	Oral
186	Empatheatre: Transgressive And Transformative Learning Into Complex, Politically Laden And Unknown Territories Through A Novel Practice-Based Theatre Methodology In South Africa	Oral

List of Accepted abstracts

In case you do not remember your abstract ID, please check the submission confirmation email

ID	Title	Presentation type
187	Dakar's Urban Transformations: Identity, Risk And Politics	Oral
188	Sustainable Transformations In Urban Agglomerates Of Global South: A Case From The Maximum City That Faced A Disaster	Oral
189	Harnessing Transformation To Leave No One Behind	Poster
191	How To Cultivate Agents Of Transformation? The Power Of Systems Thinking And Self-Reflection	Oral
192	Health Risk Management Strategies. A Response To Urbanization In Accra	Poster
193	Cosmopolitan Communities And Biocultural Conservation: The Value Of Multi-Species And Multi-Sited Research	Oral
194	Fostering Systems Transformation Through Cross-Cultural Education And Research	Oral
195	Transforming Land Use Among Coffee Farmers In Burundi: The Role Of Personal, Political And Practical Spheres	Oral
196	Social Impact Of Environmental Policies And Economic Green Transitions In China	Oral Session
197	Transdisciplinary Research And Transformative Change: Addressing Structural Injustices In Knowledge Systems.	Oral
198	Transformative Innovation In Peri-Urban Asia	Oral
200	The Challenge Of Collective Learning In Natural Resources Management: Insights From Decision Science	Oral
201	A Free, Queer, De-Colonial School That Encourages Transformative Eco-Pedagogy, Academic Activism, Transformative Social Learning And Caring Radical Mentorship In Times Of Existential Crisis	T-Practice
202	Flipping The Tortilla: Social-Ecological Innovations And Traditional Ecological Knowledge For More Sustainable Agri-Food Systems In Spain	Oral
203	Localizing Disaster Risk Reduction: The Contested Role Of Citizen Involvement And Local Knowledge	Oral
204	The Role Of Transformative Learning In Building Confident, Competent Communities Of Practice In Disaster Prone Environments	Oral
205	Policy Frameworks On Climate Change Mitigation And Adaptation: Consideration Of Local Indigenous Knowledge, Practices And Technologies Of Agrarian Communities In Cameroon.	Oral
206	Resilience Thinking As An Approach To Enhance Transformation Capacity In Coastal Governance: A Tasmanian Case Study	Oral
208	Co-Creating a Theory of Transformational Change by Learning from Each Other	Oral Session
209	Digital Transformation For Environmental Compliance	Oral
211	Digital Transformation On Social Media Advertising: Can Interactive Digital Advertising Engage The Consumers	Poster
212	Creating A Circular Economy For Plastics In Peru	Poster
213	Learning Centers for Transformations: Convening a global network PART 1	Oral Session
214	Learning Centers for Transformations: Convening a global network Part 2	Oral Session
215	Transformaciones En La Epistemología Y Ontología De Los Cambios De Clima Y Usos Del Agua En Comunidades Indígenas Por La Minería Del Litio En El Salar De Atacama, Chile	Oral

List of Accepted abstracts

In case you do not remember your abstract ID, please check the submission confirmation email

ID	Title	Presentation type
216	Campground, Battle Ground Or Just Losing Ground? The Role Of Conflict, Power And Politics And How These Influence Opportunities For Transformative Change In The Coastal Zone	Oral
218	Taking Position: The Climate Change Act Observatory As An Actor In The Discussion Of The Chilean Climate Change Act	Oral
220	The Role Of Urban Citizens In Sustainable Phosphorus Cycling: Can Urban Agriculture Act As A Seed Of Transformation?	Oral
222	Huellas Antropogénicas / Crisis, Paisaje Y Territorio	Oral
224	The Transformative Role Of Social Movements In The Fight Against Anthropogenic Contamination. The Case Of Quintero Bay, Chile.	Oral
225	Efectos Socioambientales De Las Transformaciones Climático-Urbanas Sobre Los Desastres Y Pérdida De Calidad Ambiental En Ciudades Chilenas	Oral
226	Catalytic Collaborations: City-University Partnerships For Urban Transformations	Oral
227	Transforming The Relationship Between Development And Disaster Risk: Insights From Research And Policy	Video
228	The Interdependent And Cascading Impacts Of Disaster: Creating Transformational Change In The Approach To Disaster Narrative And Policy In Australia	Oral
229	Transforming into Life Communities: From Country Citizens to Territory Inhabitants in Araucarias Biosphere Reserve, Chile	Oral Session
230	Sailing Into Transformational Change: Making Safe Spaces For Leadership Development On Homeward Bound	Oral
232	Cocreation Of Climate Change Resources With Two Indigenous Shire Councils In Australia	Oral
233	Homeward Bound: Leadership, Science, Strategy And Gender In Antarctica	Oral
234	Mobilized Publics, Contradictory Interests And Divergent Imaginations: Co-Producing Knowledge And Practices For Sustainable Urban Water Management In Gurgaon, India	Oral Session
236	Resilience, Adaptation Pathways And Transformation Approach (Rapta) T – Practice Session	T-Practice
238	Recalibrating “Safe” Routes To School To Mobilize Children’S Transformative Capacity In Santiago And Lautaro	Oral
239	Exploring The Transformative Potential Of Gender Approaches To Transport In Chile	Poster
240	Children In Street Situations As Agents Of Transformation: Resilience, Resistance And Strategies Of Survival In The Context Of Structural And Police Violence In Brazil.	Oral
241	“Flood Resilient Home”- A Transformative Solution To Address The Multi-Hazard Risk Of Climate Change.	Oral
242	Contesting Knowledges: How Indigenous Knowledges Mobilized Social Movements Against Mega Energy Projects In Highland Philippines	Oral
243	Envisioning Transformations: Using Spatial Modeling To Develop Land Use Scenarios In South-Central Chile.	Oral
244	Supporting The Potential Of Universities In The Caucasus Countries To Facilitate Sustainability Transformations On The Local And Regional Level Through Transdisciplinary Teaching: Case Studies From Armenia And Georgia	Oral
245	Co-Creating Knowledge And Solutions For Sustainable Development With The Local Communities Via Transdisciplinary Research And Teaching: Examples From The Post-Soviet Countries	Oral
248	Exploring Resilience Capacities With Food Innovators In The Western Cape, South Africa: A Narrative Approach	Oral
249	Exploring Environmental And Transformative Themes In Traditional Stories: Performance And Discussions For Making Sense And Moving Forward	T-Practice

List of Accepted abstracts

In case you do not remember your abstract ID, please check the submission confirmation email

ID	Title	Presentation type
251	Seeds Of Transformation: Change Strategies Towards More Sustainable Seed Systems.	Oral
252	Investigating The Potential For A Post-Growth Transformation To An Urban Sharing Economy: A Case Study Of Gothenburg, Sweden	Oral
253	Metaphors And Spreadsheets: Processes Of Knowledge Creation For Sustainable Farming Transformations In The Falkland Islands	Oral
254	Blue Marble Evaluation: Building A Blue Marble Baseline	T-Practice
255	La Importancia De La Utilización De Metodologías Novedosas Para Transformar El Conflicto Entre La Pesca Artesana Y El Lobo Marino Común.	Poster
257	The Sinuous Pathways Of Energy Sovereignty: Exploring The Transformation Of The Socio-Technical Regime Of Firewood In Southern Chile	Oral Session
259	Exploring Collective Agency For Sustainability Transformations: A Transdisciplinary Process In The Xochimilco Social-Ecological System T-Lab	Oral Session
260	Exploring A Desired Food System In Flint, Mi	Oral
261	Energy And Repair Communities For Transformation	Oral Session
263	Integration Experiments, In The Context Of Energy Transition, For A Wind Farm In Chile?	Oral Session
264	Learning From Farmers - What Inhibits Or Enhances Adoption Of Multifunctional Methods In Agriculture?	Oral
265	Visioning As A Tool For Community-Led Transformation In Urban Food Systems	T-Practice
266	Agency Re-Allocation In The Transformation Lab Of The Xochimilco Social-Ecological System	Oral
267	Transforming Science Policy Interface For Disaster Risk Reduction: Science-Policy Dialogues For Climate Action	T-Practice
268	Reflections On Theory, Methods And Action -	Oral Session
269	Local Sustainable Transformations In Practice: Reflections And Learnings From A Collaborative Water Project In Remote Indigenous Australia	Oral
270	Understanding Motivations And Decisions For Land Use Change In Peri-Urban Agricultural Systems, A Game-Based Approach.	Oral
271	Scenario Planning With Stakeholders To Aid System Transformation: Can Structured Decision-Making Tools Be Useful For Knowledge Integration And Problem Reframing?	Poster
272	A Novice'S Perspective On Transforming Learning Within Our Own Communities Of Practice - Using Digital Artefacts As Learning Aids	Oral
273	Transformation, key to integrate urban regeneration and disaster risk management	Oral Session
274	Challenges For Transformational Adaptation In A Scenario Of Increasing Fire Risk In Valparaiso, Chile	Oral
275	Inclusive Systemic Thinking For Gender Equality, Environments And Marginalized Voices: Using Socioecological Critical Awareness To Deepen Transformation	T-Practice
276	Climate Action Literacies: Schools Becoming Agents Of Societal Transformation	Oral
277	Evidence Gap Map On Transformational Change	Oral
278	Evaluating Transformational Change In Climate Finance / The Gcf'S Paradigm Shift Potential	Oral

List of Accepted abstracts

In case you do not remember your abstract ID, please check the submission confirmation email

ID	Title	Presentation type
279	Institutional Change In Chilean Environmental Policy: The Experience Of Building A New Citizen Participation Scheme Managing Multiple Stakeholders For Its Formulation	Oral
280	Participatory Gis To Strategies For Disaster Risk And Adaptation: Study Cases In Brazil And Chile	Poster
281	La Transformación De Los Sistemas Jurídicos Ante Los Riesgos De Desastres: De La Percepción A La Reacción Y De La Armonización A La Reducción.	Poster
282	La Gloria De Tu Vida Volverá: Metodologías Participativas Y Artísticas Para La Gestión Del Riesgo En Desastres	Oral
283	Strategies To Promote Collaborative Networks In A Neoliberal Higher Education System	Poster
285	Change Agents: Our Work Within Transformation Systems	T-Practice
286	Regenerating Soil, Regenerating Soul: Theorizing The Role Of The "Interior" In Farmers' Transitions To Regenerative Agriculture	Oral
287	La Gloria De Tu Vida Volverá: Transdisciplina Y Transformación Comunitaria Postdesastres	Oral
289	Connect To Change: Transformative Agency And Social Networks In Marine Conservation At Northern Patagonia, Chile	Oral
290	La Plataforma Nacional De Reducción De Riesgo De Desastres Chilena, Un Caso De Transformación Del Actuar Público Para La Reducción De Riesgo De Desastres.	Poster
292	"Ecmpos" Emergent Conservation Assemblages For The Protection Of Indigenous Seascapes In Chile	Oral
293	Struggling For A Valid Knowledge	Oral
295	Territorial Planning In High Risk Zones Of Disasters, Transformative Solutions And Their Consequences In Human Habitability.	Oral
296	La Gloria De Tu Vida Volverá: Transformando Un Territorio	Video
297	A Challenging But Necessary Wellbeing Transformation: Reimagining Small-Scale Fishers In Uruguay	Oral
298	Aprendizaje Social Y Conocimiento Local Como Pilares Para La Transformación En Las Comunidades De Carácter Indígena "Changos" De La Costa Norte De Chile.	Poster
299	¿cómo Se Transforma La Vida De Quienes Transforman?	Poster
300	Experiencia De Transformación: De Oruga A Mariposa	T-Practice
301	Towards Ecological Movement In Rural India: Role Of Hill Resource Management Society In Soil, Water And Forest Conservation In Shivalik Foothills Of Himalayan Range	Oral
302	T-Arts: An Emerging Transdisciplinary Movement?	Oral
303	Comanagement Of Small-Scale Fisheries And Ecosystem Services	Poster
305	Transforming Fire Suppression Policy Into An Intercultural And Participative Fire Management And Conservation Policy In Canaima National Park, Venezuela. A Learning Together And Indigenous, Academic And Institutional	Oral
306	Evaluation Of The Adaptation And Application Of Transition Management Approach In Informal Settlements In Kampala (Uganda) And Dodowa (Ghana)	Oral
310	Stories Of Transformation: A Cross-Country Focus Group Study On Sustainable Development And Societal Change	Oral Session
311	Social Impact Of Environmental Policies And Economic Green Transitions In China - A Case Study Of Hebei	Oral Session

List of Accepted abstracts

In case you do not remember your abstract ID, please check the submission confirmation email

ID	Title	Presentation type
312	Understanding The Sustainable Development Prospects Of Mobile-Enabled Solar Home Systems In Kenya	Oral Session
313	Low Carbon Technologies In The Making: How Social Science Can Help To Problematize And Accelerate Post Carbon Transitions.	Oral Session
314	Social Management of Mineral Waters: Results of the application of EPRD in Cambuquira	Oral Session
315	The Learning for Sustainability (LforS) method	Oral Session
316	Storytelling As A Process Of Building Group Capacities For Transformation	Oral
317	Co-Producing Research And Action For Transformations To Sustainability In Argentina: Can Empowering Logics Also Be Instrumental?	Oral Session
319	Adapting To Climate Change Through Applied Theatre And Two-Eyed Seeing: Co-Creation Strategies	Oral
320	Spaces Cultivating Embodied Transformative Intent: An Auroville Case Study	Oral Session
322	A Human Ecology Approach To Guide Transformative Research In Food Systems	Oral Session
323	Transformative learning and building ontological and epistemological awareness	Oral Session
324	20+ years of learning-by-doing to create transformations	Oral Session
325	Efectos del estrés hídrico en la capacidad de adaptación autónoma transformativa de los pueblos indígenas del norte de Chile al cambio climático	Oral
